

# COVID-19 VOLUNTEER OPPORTUNITY

## CATHOLIC CHARITIES NEEDS YOUR HELP BY MAKING FACE CLOTH COVERINGS!

**Do you have these things: a sewing machine, cloth and elastic already in your home (Don't go out shopping!), a printer, an envelope or box and a couple dollars to pay for shipping?**

**If so, help us by making sewn cloth face coverings for our staff members working at homeless shelters and food distribution programs and for our homeless shelter residents.**
