OUTREACH: _____

JUNE OUTREACH EVENT

SHARE was proud to participate in the recent event at the Comprehensive Family Resource Center (CFRC), where we connected with nearly 200 attendees. Our team shared vital information about food assistance and volunteer opportunities. Events like these are an important part of our mission to support families and individuals in need, and we're grateful for the opportunity to engage directly with the community. If you are aware of any events taking place in your community that would benefit from SHARE attending, please let us know—we'd love to be there!

PRICE INCREASE: _____

VALUE PACKAGE PRICE INCREASE IN SEPTEMBER

In September, SHARE Food Network will implement a price increase for our **Value Package** from **\$25 to \$30**, with rising food costs being the primary reason for this adjustment. Over the

past few years, the cost of food, transportation, and other supplies has continued to rise due to inflation, supply chain disruptions, and the broader economic situation. As a result, we need to adjust our prices to ensure we can continue providing you with the quality, nutritious food you rely on. This increase reflects the growing challenges that food distribution networks are facing nationwide. We remain deeply committed to supporting our community and providing affordable food. We want to assure you that this price adjustment is necessary to keep our services running smoothly despite higher operational costs.
